

Frosty the Snowman

Frosty the snowman was a jolly happy soul
With corn cob pipe and a button nose
And two eyes made out of coal

Frosty the snowman is a fairy tale they say
He was made of snow
But the children know how he came to life one day

There must have been some magic in
That old silk cap they found
For when they placed it on his head
He began to dance around

Frosty the snowman was alive as he could be
And the children say he could laugh and play
Just the same as you and me

Frosty the snowman knew the snow was hot that day
So he said lets run and have some fun
Now before I melt away

Down to the village with a broom stick in his hand
Running here and there all around the square
Saying catch me if you can

He led them down the streets of town
Right to the traffic cop
And he only paused a moment when
He heard him holler stop

Frosty the snowman had to hurry on this way
But he waved goodbye saying don't you cry
I'll be back again some day
